York County

Scholarship

Organization

*The Miss York County Scholarship Organization is excited to be celebrating 62 years. Hundreds of volunteers have worked together for decades to make available thousands of dollars of scholarships and awards for area women. In 2009-10, scholarships and awards totaling over \$10,000 were awarded to our representatives and the 2010-11 season promises to be even more rewarding!*

*Today, our pageant organization has grown to be able to award four young women as our representatives. They are: Miss York County, Miss Susquehanna Valley, Miss White Rose City, and York County's Outstanding Teen America (Miss America's teen pageant). Please join us at our 62<sup>nd</sup> pageant!*
