

Miss York County  
Scholarships for young women

Dear Friend,

We hope you will support your local Miss York County Scholarship Program!

The Miss America Organization is one of the nation's leading achievement programs as well as one of the world's largest providers of scholarship assistance for young women. Last year, the Miss America Organization and its state and local organizations made available \$45 million in scholarship assistance.

The Miss York County Scholarship program, a local non-profit program in the Miss America system, has been in operation for 68 years, providing thousands of dollars in scholarships to young women in South Central Pennsylvania. Hundreds of young women have participated in and benefited from the Miss York County Scholarship program. Our local program is growing and we are providing opportunities for four young women - Miss York County, Miss Susquehanna Valley, Miss White Rose City, and Miss First Capital, as well as three teen representatives, to participate at the state level and potentially win even more scholarship dollars.

The 2019 Miss York County Scholarship program will be held on January 26, 2019 at the York County School of Technology!

**You can help!** Please review the enclosed sponsor form for a chance to be recognized as one who cares about the education, excellence, and future of young women in our community. Your gift of scholarship will be a lasting one as our representatives have gone on to amazing careers including neurosurgeons, environmental lawyers, family doctors, actors, teachers, communication directors, and assistant district attorneys.

Can your contribution change a woman's life? Absolutely! For 70 years, participants in the Miss York County Scholarship program have greatly benefited from the generosity of people like you. Please consider a contribution to invest in the women leaders of tomorrow.

Sincerely yours,

The Miss York County Board of Directors
